Papa Hou Event Centre, YMCA Christchurch,  
12 Hereford Street, Christchurch

Please note, there are a number of stairs to the venue and no lift available.

### Parking

There is time limited parking immediately behind the venue off Cashel Street.

### Registration

8:00 am - 8:30 am in the upstairs foyer.

Coaches need to bring all completed waivers with you to registration.

### Health & Safety

Athletes do not need to wear masks when warming up or competing.

While masks are not mandated for events under Orange, for the health and well being of those attending the event we strongly encourage spectators and supporters to wear masks.

The event team will be regularly cleaning throughout the event, and hand sanitising stations will be available.

### Athlete and coach passes

You will receive a wristband at registration for your competitors and for your official coaches.

Athletes and registered coaches do not need tickets to watch, however you may be asked to watch from the upstairs gallery (side on) if we run short of seats for paying spectators.

### Athlete briefing

**8:30 am** in the theatre.

All coaches and athletes must attend.

### Hair & Make Up

The venue bathrooms are shared between the audience and athletes.

We ask that the toilets are NOT used for make up, and instead you do hair and make up prior to arriving at the venue.

There will be some mirrors and a space to do hair and make-up in one of the green rooms.

### Warm-up / green room

There are limited warm up and green room spaces backstage.

Please keep these clean and tidy at all times.

As these are shared spaces, it is important that you share the space and make it available to others. We will have over 70 athletes competing in the event on Saturday, so space will be very tight backstage.

Bags will not be allowed in the warm up rooms. These must be stored in the gallery upstairs.

You will have access to the floor/stage before the event and during the breaks.

### Personal belongings and security

Please be aware that the venue and organisers accept no responsibility for any items lost or damaged during the competition. Please keep any valuables with you or your coach at all times.

### Photography & videography

There will not be an official Photographer or Videographer at the event.

All athletes, coaches and spectators may photograph and film their own athletes, but must follow our Photography & Videography guidelines:

- Only photograph or film athletes and teams who have given you permission to do so
- Do not use flash photography or professional equipment
- Do not obstruct the view of the judges, or other spectators while taking photographs or video

Failure to follow the above guidelines may result in you being asked to leave the venue.
